KAMSIK'S INDIANA DERBY.

Over 8,000 persons saw Louis Ezell's brown gelding Kamsin by Blazes—Miss Hall win the first Indiana Derby at Sheffield yesterday in a gallop, and probably about half that number wondered what ailed the colt last Wednesday, when he had the slows and followed Uncle Abb past the post. The day was perfect for racing, and the track fast. In addition to the Derby the card was an inviting one. All the trains from the city were well filled, and before the first race was run 7,300 persons had passed through the turnstiles. Good accommodation had been provided for the crowd, and though locomotion through the betting ring was at times difficult, all had a good view of the racing. Speculation was brisk and the nineteen regular books with the two field books did a brisk business.

The Derby was the fifth race on the card, and it was a quarter to five when the bell rung. The field paraded, Muskalonge, with J. Morgan up, leading. It was expected up to the last moment that Perkins would be here to ride Muskalonge, but he didn't come. The son of Muscovy and Rebound was the gentleman of the party, as to appearance, and his dark bay coat shone like satin. Doctor G looked well, but rather light, while Kamsin showed no signs of quarter-crack or other ailment.

The presence of T. McHugh, who is rated as a superior sort of a stable boy, in the saddle, did not give his backers any too much confidence, while Onalaska's friends saw with pleasure the dusky form of "Monk" Overton, wearing the green and gold of Ben Falk, on the son of The Hook. Big Strive with the white and red of the Kentucky Stable, had all of the allowances and looked big enough to draw a dray. May Galop seemed small, while Lillian E with little Pete Clay up, never appeared to better advantage. Harmony was too leggy looking to catch the eye, and moved stiffly. The absentees were Excuse and Pinchback, who were scratched early in the morning, and Otho who was declared at the last minute.

Kamsin was the betting favorite throughout, but he receded from 3 to 2 to 2 to 11 to 5. Muskalonge and Onalaska were respectively second and third choices, the latter being backed from 6 to 4½ to 1. Doctor G and Lillian E had supporters, but the others were not much backed.

It did not take Dick Dwyer long to line the lot up, and three minutes after the post was reached he snapped the rubber to a good start. Clay at once took Lillian E to the front and she led past the stand by a length, with Doctor G second, a head in front of Big Strive, Kamsin bringing up the rear. Lillian E kept the lead around the turn, May Galop moving up, and Kamsin went through his horses. At the quarter Lillian E was a length and a half to the good, with May Galop a neck in front of Kamsin. Along the back stretch the favorite moved into second position, and at the half he was a neck in front of May Galop, with Lillian E still a length and a half to the good. Morgan now began to send Muskalonge along, and in the next quarter he had moved up from seventh to third place. At the three-quarters Lillian E was only a neck to the good, with Kamsin well clear of Muskalonge. Lillian E kept her lead till well into the stretch, but at the eight pole McHugh called on Kamsin and he soon had the filly beaten. Kamsin came on and won easily by three lengths, Lillian E a length in front of Muskalonge. Big Strive was fourth, half a length in front of Onalaska, with the others strung out. The value to the winner was \$1,500.

Louis Ezell opened the day auspiciously by winning the first race with Lady Rose, the favorite.

Easter Eve in spite of her carrying 111 pounds

and giving weight to everything else won the two-year-old race, after a fight with Tully Coulter's C H Whelan. Though Easter Eve ran in Watkin's colors and was ridden by H. Penny, she had been sold before the race to S. Lazarus of Louisville for \$800. Lazarus is a charade. John Brenock had been trying to buy the filly, but he was at Crown Point, and later she was turned over to him at \$1,000. T. W. Coulter also sold C H Whelan after the race to Ruddy Bros. for \$300.

The Deuce had no difficulty in capturing the third race, and the talent rejoiced, while Bob Wagner, in the fourth upset two good things in Fred K and Laura Cotta.

All old race goers were pleased to see Stoval successful once more. He rode Sullross to to victory in the mile and three sixteenths in the way he used to years ago.

Hi Henry had everything his own way in the last race at six furlongs, easily defeating Cali-

STORM KING'S FAST RACE.

There was a great to do about the last Tuesday's 4½ furlongs of Storm King with 110 pounds up at Nashville in 54¼ seconds. Part of the cheap chroniclers of racing down the line—there never was a rarer band in action—declared that Storm King's time beat all records. The other part, more conservative because more self-conscious, sang of the wiping out of all two-year-old records for the distance. When cold facts are applied it turns out that Storm King's time simply equalled Sallie Clicquot's 54¼ under 115 pounds at Oakley, O., July 4 last. It was 1¼ seconds slower than the 53 seconds of Meadows (103), at Alexander Island, Va., March 23, 1895, and just bettered the 54¼ seconds of Hester made on the same Nashville track April 23 last. What a lot of racing rot is published nowadays!

THE SUMPTER GOLD MINING CO.

Most encouraging reports come from the great Cripple Creek mining camp as to new strikes and successful development of many new properties. C. H. Moffet, president of the First National Bank of Denver, whose income is probably greater than that of any other man west of the Alleghany mountains, predicts a fifty million dollar output of gold from Colorado alone in 1897. Two-thirds of this vast amount will undoubtedly come from what is known as the Cripple Creek district, which may be described as commencing at the base of Pike's Peak, extending south 60 miles, with the width varying from two to ten miles. Very valuable discoveries in medium and low grade ores are constantly being made, and in many instances large chutes of high grade silvanite ores are being encountered. C. C. Chapin, of the Chapin Brokerage Company, Hartford Bldg., Chicago, has recently returned from Cripple Creek, where he has made a careful examination of the various mining properties with the special object of securing desirable properties to offer on the market. As a result, selection was made of the Sumpter group of properties as among the now promising prospects for development in the Cripple Creek district. The Sumpter Gold Mining Company owns three claims on Tenderfoot Hill, directly in line with the great porphyry, phonolite and granite contacts. The great shipping mines both to the north and south of this property have been found in the contact of these great dikes. The company confidently expects to strike shipping ore at the same depth, nearly 65 to 100 feet, at which the Lincoln, Independence, Portland and others discovered their first pay ore. A shaft of 35 feet deep on the Sumpter claim shows a strong fissure vein, all the ores showing some gold. A contract has been let to sink the shaft an additional 150 feet. Ore assaying \$25 and \$40 has been found. The Sumpter also owns a claim on Iron Mountain. The management is a conservative one and composed of practical mining men. No salaries will be paid until the company is on a paying basis. The capital stock is \$1,500,000, the par value of shares being \$1 each. Of this amount, 700,000 shares have been set aside as treasury stock, but only 200,000 shares are being offered for development work on the Chicago Mining & Mineral Board and through the Chapin Brokerage Company, 108 Hartford building.
